Oreo Frozen Dessert

Serves 12

Ingredients:

- 2 packages of Oreos or similar cream-filled cookies
- 4 cups heavy cream
- 1 can sweetened condensed milk
- 1 teaspoon vanilla

Directions:

1. Disassemble 15 of the Oreos and scrape the cream filling into a small microwave-safe bowl. Place the cookie halves in a plastic bag. Then crush the cookies into crumbs. Microwave the bowl of filling until creamy, about 1 minute.
2. Layer a 9"x13" baking dish with whole Oreo cookies – about 15-20 cookies to line the dish.
3. In a mixing bowl whip 4 cups of heavy cream until light and fluffy. Then stir in the sweetened condensed milk, vanilla, melted filling, and cookie crumbs.
4. Spread the filling evenly across the 9"x13" baking dish. Crumble 3-5 additional Oreos to sprinkle on top.
5. Freeze for at least 4 hours or overnight. Slice and serve.
