Baked Peanut Butter Apples

Serves 6

Ingredients:

- 2 apples, halved
- 2 Tbsp. vegetable oil (or melted butter)
- ½ cup creamy natural peanut butter
- ½ cup peanut butter cups, chopped
- ½ cup dark chocolate chips, melted

Directions:

1. Preheat oven to 375° F.
2. To prepare the apples, core them using a melon baller. Place apples in a shallow baking dish and brush each apple top with the oil. Bake in oven for 15 minutes at 375° F.
3. Remove apples from oven and add a large scoop of peanut butter to the center of each apple. Bake for another 15 minutes. Garnish with chopped peanut butter cups and chocolate chips. Serve immediately.
