

Pull Apart Cheesy Garlic Bread

Serves 8-10

Ingredients:

- 1 round unsliced crusty sourdough bread or similar
- 1 cup shredded cheddar cheese
- 6 Tbsp. minced garlic
- ¼ cup butter, melted

Directions:

1. Preheat the oven to 350° F.
2. Melt the butter in a heat-safe bowl. Then stir in the minced garlic.
3. Slice the sourdough bread into 1-inch pieces, carefully so you aren't cutting through.
4. Then drizzle the bread with the minced garlic and butter, carefully getting it into the cut pieces.
5. Next fill the cuts in the bread with the shredded cheese.
6. Wrap the bread in foil and bake for 15 – 20 minutes, until the bread is heated through and the cheese is melted. Serve immediately.
